AMENITIES GUIDELINES

1. Residents or their guests using any amenity – including but not limited to any playground, walking trail, park, lake, etc. - or common area owned by the community association must abide by the following rules as well as any additional rules posted at the amenity or common area:
 - a. All amenities and common area may be used by residents or their guests at their own risk;
 - b. Amenities and common area may be used from 7:00 a.m. until dusk;
 - c. Playground equipment is reserved for children 12 years and younger;
 - d. Roller blades, roller-skates, skateboards, bicycles, and similar wheeled vehicles are permitted in designated areas only;
 - e. Vandalism, defacement, or destruction of any part of the amenity or common area is prohibited;
 - f. Children 8 years old and younger must be accompanied by a parent or guardian at all times when using any amenity or common area;
 - g. Rough play as well as foul and abusive language while using any amenity or common area is prohibited; and
 - h. Failure of any resident or their guests to comply with these guidelines, any other rules of the community, or any requirements of the covenants for the community may result in the privilege of using the amenities.

BASKETBALL GOAL GUIDELINES

1. The Architectural Review Committee or the Board of Directors must approve in writing the style, color and location of all basketball goals prior to installation.
2. Residents seeking to install a basketball goal may initiate the approval process by completing a change request form.
3. Notwithstanding the fact that all basketball goal styles, colors and locations must be pre-approved:
 - a. A plot survey of the property showing where the basketball goal will be located must be submitted with the request to approve the basketball goal;
 - b. The area proposed for the basketball goal must be large enough to assure that no other property will be unduly impacted by the use of the basketball goal and, in order to help satisfy this requirement, adjoining property owners on both sides must consent in writing to the installation of the basketball goal;
 - c. The owner of the basketball goal is responsible for any physical damage to any other property caused by the basketball goal, and physical damage to other property can lead to the removal of the basketball goal at the owner's expense;
 - d. No basketball goal can be installed adjacent to the street, and basketball games cannot take place in the street;
 - e. If not in use and not in its approved location, portable basketball goals must be stored in an area not visible from any adjacent street;
 - f. Every basketball goal must be professionally constructed, painted, and maintained by the owner, and, if damaged, bent or rusted, the owner must repair the basketball goal immediately;
 - g. The property owner is responsible for insuring that people using the basketball goal behave in such a manner that all neighbors are not disturbed by the use of the basketball goal, including but not limited to disturbances caused by loud noises from screaming and music;
 - h. The property owner must acknowledge the fact that the guidelines may be amended and agrees to maintain the basketball goal in accordance with any amendment to these guidelines as adopted by Board of Directors; and
 - i. The property owner must acknowledge that permission to install a basketball goal is merely a "temporary" privilege granted to the owner which can be revoked at any time, with or without cause, by the Board of Directors.

DECK BUILDING GUIDELINES

1. The Architectural Review Committee or the Board of Directors must approve in writing all deck designs, colors and location prior to installation.
2. Residents seeking to install a deck may initiate the approval process by completing a change request form.
3. Notwithstanding the fact that all deck designs, colors and locations must be pre-approved:
 - a. The dimensions, elevation and sketch of the deck as well as a plot survey of the property showing where the deck and landscaping around the deck will be located must be submitted with the request to approve the deck;
 - b. The resident is responsible for complying with all applicable laws relating to construction of the deck and must obtain all appropriate permits prior to construction of the deck;
 - c. The request to approve the deck must include an anticipated completion date, and if approved, the deck must be completed by that anticipated date; and
 - d. Decks may be constructed from pressure treated lumber or vinyl composite materials only, and the bottom of the deck must be enclosed with lattice.

DECORATIVE FLAG GUIDELINES

1. Each residence may display no more than three flags; provided, however:
 - a. Each residence may display no more than two large flags not exceeding 3' by 5' each, which large flags must be mounted with an appropriate flag holder to the front and/or the rear of the house; however, if a resident displays two large flags, the resident must display one in the front and one in the back of the house;
 - b. Each residence may display no more than one small decorative flag not exceeding 12" by 15", which small flag must be mounted with an appropriate flag holder; however, the small decorative flag and flag holder must be less than 2 feet tall;
 - c. Flags must be an American flag, reflect the season (e.g., Spring, Summer, Fall, Christmas, Easter, Thanksgiving, etc.), show support for a school or professional club or team, or have a golf theme; provided, however, special occasion flags such as birthdays or the birth of a baby may be displayed for a period not exceeding two weeks; and
 - d. In the sole discretion of either the Board of Directors, the Architectural Review Committee or their agent, flags deemed to be in poor taste or condition may not be displayed and must be removed immediately.

ESTATE SALE GUIDELINES

1. The Management Company of the Association must approve in writing all estate sales at least two weeks prior to the estate sale and requests to approve estate sales must be submitted to the Management Company at least three weeks prior to the estate sale.
2. Notwithstanding the fact that all estate sales must be pre-approved:
 - a. Only one small sign advertising the estate sale may be placed on the front lawn of the property owner on the day of the sale;
 - b. Estate sales may only run for one day between 8:00 a.m. and 5:00 p.m.;
 - c. With an estate sale, no sale items may be placed outside of the home and the garage door should be closed at all times during the estate sale; and
 - d. No resident may conduct more than one estate sale every 5 years.

GOLF COURSE SAFETY GUIDELINES

Residents or their guests walking or jogging on golf courses accessible as a member of the community association (“Golf Courses”) must abide by the following rules as well as any additional rules established or posted by the owner of the golf course:

1. Any Golf Course accessible as a member of the community association is a privately-owned golf club in which the community association’s property owners may have limited and temporary privileges for non-exclusive use, access and enjoyment subject to the covenants and the rules adopted by owner of the Golf Course;
2. Consistent with the privileges granted by the owner of the Golf Course, the owner of the Golf Course may permit community association property owners to walk and jog on the golf cart paths at their own risk subject to the rules and warnings set forth in these guidelines as well as any rules and warnings of the owner of the Golf Course;
3. Golf is a dangerous sport which places both the participants and bystanders at risk; therefore, any use of any privately-owned Golf Course is at the user’s sole risk, and all such users release the community association from all liability associated with such use of that Golf Course;
4. At all times, golfers and Golf Course maintenance workers have the right of way over any community association property owners walking or jogging at the Golf Course;
5. Subject to any further limitations imposed by the owner of the Golf Course, community association property owners may walk or jog on the golf cart paths only during the following times:
 - a. Before 7:00 AM and after 7:00 PM from May 1st through October 31st; and
 - b. Before 8:00 AM and after 6:00 PM from November 1st through April 30th;
6. No bicycling, rollerblading, skating and/or skateboarding shall be permitted at the Golf Course;
7. Community association property owners may push baby strollers and/or walk their dogs at the Golf Course consistent with these rules provided that the community association property owners strictly comply with all federal, state, and local animal control guidelines as well as related rules and regulations, including but not limited to those rules relating to the removal and disposal of animal waste; and
8. Anyone violating these rules will be considered a trespasser at the Golf Course and will be subject to removal from Golf Course in accordance with applicable law.

LANDSCAPING AND ARCHITECTURE CHANGE GUIDELINES

1. The Architectural Review Committee or the Board of Directors must approve in writing the designs, colors and location of all architectural and significant landscaping changes prior to construction, amendment or installation.
2. Residents seeking to make architectural or significant landscaping changes may initiate the approval process by completing a change request form.
3. Notwithstanding the fact that all architectural or significant landscaping changes must be pre-approved:
 - a. Proposed architectural or significant landscaping site plans with property boundary, footprints of permanent structures, and locations and identifications of every hardwood tree with a diameter of 8" or more and at a height of 3' above grade must be submitted in duplicate along with a change request form on 24" x 36" plan sheets;
 - b. Proposed architectural or significant landscaping site plans must contain the project location, owner's name, a North arrow, drawing scale, sheet number, and date;
 - c. Proposed landscaping site plans must contain locations of proposed and existing plants, with plants drawn at mature size as well as irrigation plans if irrigation will be installed;
 - d. Proposed architectural or significant landscaping site plans must contain construction details for all structural elements; i.e., retaining walls, pools, decks, etc.; and
 - e. The resident is responsible for complying with all applicable laws relating to any construction and must obtain all appropriate permits prior to any construction.

LAWN CARE AND LANDSCAPING GUIDELINES

All residents must maintain the following minimum lawn care and landscaping standards regardless of whether the home is owned or rented:

1. All residents must mow their lawn grass on a regular basis during the active growing seasons and “as frequently as needed” during the remainder of the year to maintain a neat and tidy appearance;
2. All residents must regularly trim and/or prune plants and shrubbery along sidewalks, walking paths, driveways, walkways, fences, plant screenings and landscaping beds “as frequently as needed” to maintain a neat and tidy appearance;
3. All residents must remove dead plant materials promptly and replant the same at appropriate times of year;
4. All residents must clear sidewalks or walking paths of any branches or limbs extending into these walking spaces;
5. All residents must seed or reseed bare spots in lawn grass, and reseed the lawn as reasonably necessary during the appropriate times of year to maintain the aesthetics and overall health of their lawn;
6. All residents must fertilize lawn grass and landscaping plants on a regular basis throughout the year to promote growth, retention of color and prevention of diseases; and
7. All residents must clear sidewalks and walking paths of any stones, rocks, mulch, or decorative items which may cause unsafe conditions in these open spaces.

PARKING

Residents or their guests must abide by the following parking rules:

1. Residents must park their vehicles in the garages or in the driveways, if any, serving the units where the resident lives;
2. Guests of a resident may park their vehicles on the street provided that the resident and the guest have:
 - a. utilized all available parking spaces in the garage or driveway serving the unit where the resident lives; and
 - b. otherwise used reasonable efforts to park the vehicles owned by guests of that resident in the garage or driveway of that resident;
3. All residents and guests must abide by all other parking rules established under the covenants;
4. All residents and guest must abide by any temporary parking rules established by the Board of Directors;
5. All residents and guests must abide by all applicable traffic and parking rules established in accordance with the law; and
6. When parking a vehicle for the purpose of utilizing an amenity owned by the Association, all residents and guests must use marked parking spaces only.

SATELLITE DISH AND ANTENNA GUIDELINES

1. No satellite dish shall be installed which exceeds 40" in diameter.
2. Except for the following two types of antennas, no antenna shall be installed:
 - a. Antennas designed to receive video programming services via broadband radio service (wireless cable) or to receive or transmit fixed wireless signals other than via satellite may be installed provided that:
 - i. the antenna does not exceed one meter in diameter or diagonal measurement;
 - ii. the mast for that antenna is no higher than 12' above the roofline of the house; and
 - iii. the height of the mast for that antenna is necessary to receive or transmit an acceptable quality signal (e.g., maintain line-of-sight contact with the transmitter or view the satellite) and such necessity is confirmed in writing by a professional installer to the Board of Directors; and
 - b. Antennas designed to receive local television broadcast signals provided that the mast for that antenna is no higher than 12' above the roofline of the house.
3. A satellite dish or antenna otherwise permissible under these guidelines may be installed without the written approval of the Architectural Review Committee or Board of Directors provided that such satellite dish or antenna is installed on the roof of the house and is invisible from any adjacent street.
4. No more than one satellite dish or antenna may be installed unless more than one satellite dish or antenna is necessary to receive the desired service(s), the basis for the necessity of multiple satellite dishes or antennas is confirmed in writing to the Board of Directors, and one or more satellite dishes or antennas are removed as soon as the applicable service(s) are terminated.
5. Residents seeking to install a satellite dish or antenna either at some location other than the roof of the house and/or visible from an adjacent street but otherwise permissible under these guidelines may initiate the approval process by completing a change request form.
6. Residents seeking to install a satellite dish or antenna either at some location other than the roof of the house and/or visible from an adjacent street but otherwise permissible under these guidelines must initiate the approval process within 24 hours after ordering the installation of a satellite dish or antenna.
7. Any resident who contends that these guidelines unreasonably delay or prevent use of, unreasonably increase the cost of, or preclude a person from receiving or transmitting an acceptable quality signal from a satellite dish or antenna shall immediately set forth the basis for their contentions to the Board of Directors in writing.
8. With regard to satellite dishes or antennas which a resident seeks to install at some location other than the roof of the house and/or visible from an adjacent street:
 - a. Such satellite dishes or antennas must be screened with lattice or landscaping and installed in the location on the resident's property least visible from any adjacent street necessary to receive or transmit an acceptable quality signal (e.g., maintain line-of-sight contact with the transmitter or view the satellite), and the

appropriateness of such location over other less visible locations on the property (including but not limited to the rear roof of the house) must be confirmed in writing by a professional installer to the Board of Directors; and

- b. Requests to approve the location of a satellite dish or antenna must include a plot survey of the property showing where the satellite dish or antenna will be located as well as a specific description of the type of screening proposed for the satellite dish or antenna.

SCREENED-IN PORCH GUIDELINES

1. The Architectural Review Committee or the Board of Directors must approve in writing all screened-in porch designs, colors and location prior to installation.
2. Residents seeking to install a screened-in porch may initiate the approval process by completing a change request form.
3. Notwithstanding the fact that all screened-in porch designs, colors and locations must be pre-approved:
 - a. The dimensions, elevation and sketch of the screened-in porch as well as a plot survey of the property showing where the screened-in porch and landscaping around the screened-in porch will be located must be submitted with the request to approve the screened-in porch;
 - b. The resident is responsible for complying with all applicable laws relating to construction of the screened-in porch and must obtain all appropriate permits prior to construction of the screened-in porch;
 - c. The only approved construction material for a screened-in porch is pressure treated lumber and while use of a lattice under the deck is optional, any lattice used must be 6' x 6' or 4' x 4';
 - d. If painted, the screened-in porch must match the trim or lightest color of the house; and
 - e. Roof material for any screened-in porch must match the roof material for the house.

SIGNAGE GUIDELINES

1. Signs may not be erected within the community without the written consent of the Board of Directors except those signs complying with the following guidelines:
 - a. For the sole purpose of selling a home, residents or their agents may place a single “For Sale” sign on their property provided that the sign is compliant with the following guidelines:
 - i. The sign may not to exceed 18” by 24” including the attachment of a single rider, and shall not exceed a 36” by 36” signage envelope, within which the core signage and any accessory signage must be contained, and must be consistent with the diagram below;
 - ii. The sign may not be placed any closer than 3’ from the street and may not be located in the ditch section of the yard;
 - iii. A sign may be placed in the window or the yard, but not both;
 - iv. Signs must be professionally made, and handwritten signs are prohibited;
 - v. Directional signs are prohibited;
 - vi. As part of the single rider attached to the sign, a tube or other device may be attached to the sign for handouts provided that the single rider does not exceed 4” by 24”;
 - vii. All signs must be placed on metal stands, and no wood stakes are allowed;
 - viii. Signs enhanced by lights or audio are prohibited;
 - ix. Residents are responsible for all signs placed or installed by their agents;
 - x. All “For Sale” signs must indicate on the sign that the property is “For Sale”, and signs which indicate that property is “For Lease” or “For Rent”, or signs which indicate that the property is anything other than “For Sale”, are prohibited;
 - xi. Signs must comply with the and
 - xii. All signs indicating that homes will be sold by owner must be pre-approved by the management company.
 - b. For the sole purpose of selling a home, residents or their agents may place a single “Open House” sign on their property on the day of the open house; and
 - c. For the sole purpose of attempting attempt to influence the outcome of an election, including the support or opposition of an issue or candidate on an election ballot, residents may place a single “Political” sign on their property compliant with the following guidelines:
 - i. Display of a political sign more than forty-five (45) days before an election and later than seven (7) days after an election is prohibited;
 - ii. The political sign may not to exceed 24” by 24”;
 - iii. The political may not be placed any closer than 3’ from the street and may not be located in the ditch section of the yard;
 - iv. A political sign may be placed in the window or the yard, but not both;
 - v. Political signs must be professionally made, and handwritten signs are prohibited; and
 - vi. Political signs enhanced by lights or audio are prohibited.

Signage Guideline Diagram

SINGLE FAMILY FENCE GUIDELINES

1. The Architectural Review Committee or the Board of Directors must approve in writing all fence designs, colors and location prior to installation.
2. Single family residents seeking to install a fence may initiate the approval process by completing a change request form.
3. Notwithstanding the fact that all fence designs, colors and locations must be pre-approved:
 - a. For aesthetic reasons and in their sole discretion, the Architectural Review Committee or the Board of Directors may refuse to permit the installation of any fence;
 - b. Fences may not be installed on townhome properties;
 - c. The dimensions, elevation and sketch of the fence as well as a plot survey of the property showing where the fence and landscaping around the fence will be located must be submitted with the request to approve the fence;
 - d. The request to approve the fence must include the name, address and telephone number of the person or entity installing the fence;
 - e. The resident is responsible for complying with all applicable laws relating to construction of the fence and must obtain all appropriate permits prior to construction of the deck;
 - f. The fence must be erected directly on the property line or as near as is reasonably possible to the property line;
 - g. The property owner installing the fence must consent to allow all adjacent property owners to tie into the fence in the event adjacent property owners construct fences in the future;
 - h. The fence must be built with unpainted, unstained, treated pine lumber;
 - e. The fence must comply with the following approved standards:
 - i. HEIGHT: 4' to 5';
 - ii. POSTS: 4" by 4";
 - iii. SPACE BETWEEN POSTS SHALL NOT EXCEED 8';
 - iv. SLATS: 1" by 4" or 1" by 6";
 - v. SPACE BETWEEN SLATS: 0" - 1";
 - vi. HORIZONTAL SUPPORTS: 2" by 4"; and
 - vii. TOP OF WOOD SLATS MUST BE EVEN ACROSS TOP AND CONSISTENT WITH TOPOGRAPHY
 - f. The overall design and aesthetic appeal of the fence shall conform to any fence drawings applicable to the neighborhood where property is located; and
 - g. When landscaping of the fence is required, the landscaping must match what is currently being used in the area and any shrubs must be a minimum of 3' to 4' in height at time of planting and planted on 5' on center.

SINGLE FAMILY UTILITY BUILDING GUIDELINES

1. The Architectural Review Committee or the Board of Directors must approve in writing all single family utility building designs, colors and location prior to installation.
2. Residents seeking to install a single family utility building may initiate the approval process by completing a change request form.
3. Notwithstanding the fact that all utility building designs and locations must be pre-approved:
 - a. For aesthetic reasons and in their sole discretion, the Architectural Review Committee or the Board of Directors may refuse to permit the installation of any utility building;
 - b. Utility buildings may not be installed on townhome properties;
 - c. The dimensions and sketch of the proposed utility building showing the design and color of the utility building as well as a plot survey of the property showing where the utility building will be located must be submitted with the request to approve the utility building;
 - d. The request to approve the utility building must include an anticipated completion date, and if approved, the utility building construction must be completed by that anticipated date;
 - e. The utility building must be no larger than 8' by 12'; and
 - f. The exterior materials of the utility building must be identical to the exterior materials of the home, including but not limited to the siding material, roofing material, and paint color.

SWING SET GUIDELINES

1. The Architectural Review Committee or the Board of Directors must approve in writing all swing set designs and location prior to installation.
2. Residents seeking to install a swing set may initiate the approval process by completing a change request form.
3. Notwithstanding the fact that all swing set designs and locations must be pre-approved:
 - a. For aesthetic reasons and in their sole discretion, the Architectural Review Committee or the Board of Directors may refuse to permit the installation of any swing set;
 - b. Swing sets may not be installed on townhome properties;
 - c. The dimensions and sketch of the proposed swing set as well as a plot survey of the property showing where the swing set will be located must be submitted with the request to approve the swing set;
 - d. The request to approve the swing set must include an anticipated completion date, and if approved, the swing set must be completed by that anticipated date;
 - e. The base structure of all swing sets must be made from stained or treated lumber which remains unpainted and appears in a natural state; and
 - f. Accessory items for the swing set, such as seats or slides, may be made of plastic and have a different color than the base structure.

TOWNHOME PRIVACY PARTITION GUIDELINES

1. The Architectural Review Committee or the Board of Directors must approve in writing all privacy partition designs, colors and location prior to installation.
2. Townhome residents seeking to install a privacy partition may initiate the approval process by completing a change request form.
3. Notwithstanding the fact that all townhome privacy partition design and locations must be pre-approved:
 - a. Privacy partitions are intended for townhomes only;
 - b. The privacy partition must be 6' in height and made of white vinyl composite;
 - c. The privacy partition must be placed no further than 3' away from the patio or deck;
 - d. The property owner must maintain all areas on the inside the privacy partition;
and
 - e. The privacy partition may not be fully enclosed on all three sides, and an opening must be left open on one of the three sides.

TRASH CONTAINER GUIDELINES

1. Without the written approval of the Architectural Review Committee or the Board of Directors, all trash containers must be screened from the view of any road adjacent to the property and screened from the view of any neighboring property; provided, however, on the day designated by the local government as the day that trash is picked up by a trash service provider, the trash container may be placed in the location designated by the trash service provider for trash pick up.
2. The Architectural Review Committee or the Board of Directors must approve in writing the:
 - a. Location of any trash container not screened from the view of any road adjacent to the property and not screened from the view of all neighboring property; and
 - b. design, color and location of any screen used to screen any trash container prior to installation of such screening.
3. All trash outside the home must be placed in a trash container.
4. Generally, the Architectural Review Committee or the Board of Directors will approve lattice or solid wood screening to screen trash containers provided that the lattice or solid wood is painted white or the color of the exterior trim or, if the lattice or solid wood screening is installed adjacent to a natural colored deck or screened-in porch, the lattice or wood screening may be left natural to match the deck or screened-in porch.

YARD SALE GUIDELINES

1. The Management Company of the Association must approve in writing all yard sales at least two weeks prior to the yard sales, and requests to approve yard sales must be submitted to the Management Company at least three weeks prior to the yard sale.
2. Notwithstanding the fact that all yard sales must be pre-approved:
 - a. Single or individual yard sales are not allowed;
 - b. Yard sales must occur by Neighborhoods;
 - c. Yard sales may only occur once a year per neighborhood; and
 - d. One person in a neighborhood must assume the responsibility for the yard sale, and that person is responsible for:
 - i. notifying all individuals in the neighborhood of the yard sale date;
 - ii. placing the yard sale signs; and
 - iii. removing yard sale signs as soon as the yard sale is over.

CHANGE REQUEST FORM

The undersigned resident(s) hereby submit(s) this change request form to the Architectural Review Committee, Board of Directors and/or Management Company for consideration in accordance with the covenants restricting the use of this residents' property:
